

# Program Overview f-cell+HFC 2019

				13:00 - 17:00		
MAY, 21				CHBC & CHFCA Ports Workshop		
	9:00 - 10:00	10:30 - 13:00	14:00 - 14:30	14:30 - 15:30	16:00 - 17:00	19:00 - 22:00
MAY, 22	Opening Plenary Welcome Notes	Plenary I Keynotes from China, US, EU, Ballard	Speakers Corner (last 30 minutes of Lunch break)	Hydrogen as an energy vector	View from Outside How does the outside world see hydrogen and fuel cells?	<b>BALLARD</b> Marquee Sponsor  Evening Event
				Commercial fuel cell vehicles		
				Topic Table Hydrogen storage and applications for mining sector		
	9:00 - 10:30	11:00 - 12:30	13:30 - 14:00	14:00 - 15:00	15:30 - 16:30	16:30 - 18:00
MAY, 23	Plenary II Hydrogen Council worldwide activities	Plenary III Global collaboration opportunities for hydrogen innovations	Speakers Corner (last 30 minutes of Lunch break)	News from the Canadian-German Science Sector	Hydrogen Production Storage & Infrastructure	Farewell Event
				Large scale fuel cell applications and their infrastructure	Components	
				13:00 - 16:30		
				Workshop Transitioning to Fuel Cell Electric Buses
