

Program Overview

WHTC 2021

World
Hydrogen Technologies
Convention

Digital | June 20–24, 2021

together with
f-cell+HFC

JUNE 21

Monday | 08:00–19:25 ET

Active Networking Hub / Pre-Program / e-Posters

Canadian Aspects Plenary

Interactive Coffee Break sponsored by Smart Testsolutions GmbH

WHTC
Invited Technical
Keynotes

f-cell+HFC
Global Overview
Keynotes

Active Networking Hub / Lunch Break sponsored by Loop Energy / e-Posters

H2 Distribution and Transportation #1	Strategies and Techno-economic Analyses #1	Materials-based Storage of H2	Large Scale Electrolytic Hydrogen	H2 and Nuclear
---------------------------------------	--	-------------------------------	-----------------------------------	----------------

Meet the Speaker Breakout Rooms

Interactive Coffee Break sponsored by Linde Gases Canada

H2 Distribution and Transportation #2	Strategies and Techno-economic Analyses #2	H2 Production #1	Vareennes – Hydropower for H2	Hydrogen's Role in Mining
---------------------------------------	--	------------------	-------------------------------	---------------------------

Meet the Speaker Breakout Rooms

Active Networking Hub / e-Posters

JUNE 22

Tuesday | 08:00–19:35 ET

Active Networking Hub / Pre-Program / e-Posters

North American Aspects Plenary

Interactive Coffee Break sponsored by Smart Testsolutions GmbH

H2 Production #2	Demonstrations, Applications and Safety	Photocatalytic Production of H2	Urban Transit: Seizing the Hydrogen and Fuel Cell Opportunity	Hydrogen Blending and Extraction
------------------	---	---------------------------------	---	----------------------------------

Meet the Speaker Breakout Rooms

Active Networking Hub / Lunch Break sponsored by Loop Energy / e-Posters

H2 and the Transportation Sector #1	Fuel Cells #1	Gas Turbines	Hydrogen BC – North America's 2nd Light-Duty FCEV Cluster	Québec's Path Toward Decarbonization // Vers la Décarbonation au Québec
-------------------------------------	---------------	--------------	---	---

Meet the Speaker Breakout Rooms

Interactive Coffee Break sponsored by Linde Gases Canada

H2 Production #3	H2 Purification and Fuel Quality Control	Hydrogen BC – Building Vancouver's Hydrogen Hub	Bécancour – Megawatt Level H2 Generation
------------------	--	---	--

Meet the Speaker Breakout Rooms

Active Networking Hub / e-Posters

JUNE 23

Wednesday | 08:00–18:45 ET

Active Networking Hub / Pre-Program / e-Posters

International Aspects Plenary

Interactive Coffee Break sponsored by Smart Testsolutions GmbH

H2 and the Transportation Sector #2	Materials for Fuel Cells and Electrolysers #1	Fuel Cell Electric Heavy-Duty Truck Technologies	Next Generation Hydrogen
-------------------------------------	---	--	--------------------------

Meet the Speaker Breakout Rooms

Active Networking Hub / Lunch Break sponsored by Loop Energy / e-Posters

Fuel Cells #2	Materials for Fuel Cells and Electrolysers #2	Alberta's Emerging Hydrogen Sector	The Innovative Approach to Hydrogen in Aerospace
---------------	---	------------------------------------	--

Meet the Speaker Breakout Rooms

Interactive Coffee Break sponsored by Linde Gases Canada

H2 Storage	H2 Production #4	Hydrogen: the Future of the Iron & Steel Value Chain	Financing the Transition to the Hydrogen Economy
------------	------------------	--	--

Meet the Speaker Breakout Rooms

Closing Session

JUNE 17 | Thursday | Pre-Event Workshop: Global Trade in H2 and H2 Products

JUNE 20 | Sunday | Pre-Event Meetings

JUNE 24 | Thursday | Virtual Technical & Industry Tours

Programm Structure

Combined Sessions

WHTC Sessionsw

F-Cell+HFC Workshops
